

MBA Optional Concentrations 2017

The MBA program offers several optional concentrations for those students who wish to pursue an emphasis in a selected area of study. Students may wish to consider one of the following concentrations by choosing a minimum of four electives (out of the six required electives) from one of the areas listed below. From time to time MBA712-Special Topics is offered covering topics that may be designated as appropriate for certain concentrations. It is the student's responsibility to track electives taken that qualify for a concentration and notify the MBA Director prior to graduation.
